Subject: Consultation - Dewey Burdock

Good afternoon Kevin,
First, "Happy New Year!" Now, on to business...the Region 8 EPA is scheduling in-person consultation session on the proposed "Dewey Burdock In-situ Uranium site near the Black Hills."

Region 8 has met with OST Tribal staff before and promised to do a formal consultation session with the Chairman and/or Tribal Council. The dates we are looking at are January 25th or 28th. What do you think is this possible? I look forward to hearing from you...
